

CHAPTER 44
REGISTRATION OF WASTE TIRE HAULERS

721—44.1(9B) Registration requirement. For the purposes of this chapter, “waste tire hauler” means a person who transports for hire more than 40 waste tires in a single load for commercial purposes. A waste tire hauler does not include a person who hauls tires received by the person in trade for the purchase of new tires, when the tires are hauled from the person’s place of business to a permitted final disposal site. A waste tire hauler shall register with and obtain a certificate of registration from the secretary of state in accordance with this chapter before hauling waste tires in Iowa.

721—44.2(9B) Registration form. A waste tire hauler shall submit the following information on a form prescribed by the secretary of state.

1. The name of the waste tire hauler and any other names under which the waste tire hauler may do business.
2. The principal address of the waste tire hauler and any other address at which the waste tire hauler may do business.
3. A business telephone number.
4. The name and address of the principal officer of a corporate waste tire hauler or the principal owner or owners of a waste tire hauler operating as a proprietorship or partnership.
5. The following information for each motor vehicle used by the waste tire hauler for hauling tires.
 - The name and address of the owner of the vehicle.
 - The vehicle identification number of the vehicle.
 - The year, make, and model of the vehicle.
 - The license plate number of the vehicle.
 - The state in which the vehicle is registered.
6. A statement that the waste tire hauler agrees to notify the secretary of state within 30 days of any change in the information contained in the registration form.
7. A statement that the waste tire hauler agrees to comply with the vehicle identification requirements contained in this chapter.
8. A statement that the waste tire hauler shall pay all amounts due to any individual or group of individuals when due for damages caused by improper disposal of waste tires by the waste tire hauler or the waste tire hauler’s employee while acting within the scope of employment.
9. The signature of the waste tire hauler.

721—44.3(9B) Registration fee. An application for registration of a waste tire hauler shall be accompanied by a fee of \$50.

721—44.4(9B) Bond form. An application for registration as a waste tire hauler shall not be approved by the secretary of state until the waste tire hauler has provided a bond in the sum of a minimum of \$10,000 on a form prescribed by the insurance commissioner.

721—44.5(9B) Marking of equipment. Equipment used for the hauling of waste tires subject to this chapter shall be marked as required in this rule. The following information shall be displayed on each side of the equipment, in letters and figures large enough to be read easily at a distance of 50 feet and in a color in contrast to the background.

1. The name of the registered waste tire hauler under whose authority equipment is being operated.
2. The address of the registered waste tire hauler (city and state).

3. The registration number of the waste tire hauler, assigned by the secretary of state. These rules are intended to implement Iowa Code chapter 9B.
